GET TO KNOW US

At Getwings Aviation, we bring your aviation dreams into reality. Our commitment goes beyond conventional training. We ensure each of our students has a solid foundation to take off in the world of aviation.

Established in 2020, Getwings Aviation is driven by a singular vision: to **shape the future of aviation** by nurturing talent with **precision and care**. We are more than just a training institution; we are a community of aviators, mentors, and enthusiasts committed to excellence.

To become a pilot, knowledge is crucial, and that's why DGCA CPL ground classes are essential. At Getwings Aviation, we provide thorough training in aviation theory, ensuring candidates are well-prepared for DGCA exams. Our experienced instructors offer **personalized guidance**, helping aspiring pilots master the syllabus and excel in their flying careers.

Our facilities include a **full G1000 C172 Simulator** for comprehensive training, including IFR Training. Additionally, we have established connections with leading academies for CPL and Type Rating training, ensuring our candidates receive top-notch education.

Our journey began with the belief that true aviation mastery requires a blend of skill, knowledge, and character. At Getwings Aviation, we provide a space where aspiring pilots grow and challenge themselves, ensuring they are prepared not just to meet industry standards but to surpass them. With dedicated professionals and state-of-the-art facilities, your dreams take flight here.

Becoming a pilot is not just about completing a course; it comes with great opportunities, responsibilities, and challenges. **We prepare you for this journey**, and our flight schools train you until you reach full competency. At Getwings Aviation, we ensure quality by personally visiting annually to oversee everything, whether it's flight training or type rating.

aviation
dreams
into
reality.

GETWINGS
— AVIATION —

Guided by a vision to mentor from the ground up, we strive for excellence, ensuring our pilots exceed market standards. Our mission is clear: create well-trained and well-informed pilots who are future Aviators and Aviatrices. We also facilitate all processes and study permit documentation that help you train abroad.

Join Getwings Aviation for a legacy that soars above the competition.

WHY CHOOSE GETWINGS?

One-Time Enrollment Fee Assurance

Rest assured, with us you pay only a one-time enrollment fee, regardless of how many applications or permits are resubmitted.

Top-Rated Pilot Training Schools

We help you choose training schools with the best aircraft and facilities that comply with DGCA requirements.

Comprehensive DGCA Ground Training

Our programs cover all aspects of aviation with interactive live sessions, mock tests, and detailed study material.

Advanced G1000 Full Flight Simulators (in-house)

Experience realistic training with full G1000 replica simulators, providing comprehensive flight dynamics and emergency procedure training.

Expert Instructors & Pilot Team Support

Learn from seasoned pilots and industry experts with years of experience, offering continuous support and guidance.

Comprehensive Student Support

Just a WhatsApp message away: academic advising, counseling, pilot career guidance, and financial guidance options, ensuring all the support you need.

STEPS TO BECOMING A PILOT WITH GETWINGS

PHASE 1

DGCA Ground Classes & Simulator

1. G-1000 C172 Simulator Training
2. Air Navigation
3. Air Regulations
4. Aviation Meteorology
5. Aircraft Technical General
6. Aircraft Technical Specific

PHASE 2

Eligibility Requirements

1. DGCA Medicals (Class 1 & 2)
2. DGCA Computer Number
3. eGCA Account Process

TRAINING COURSES

Our training courses are meticulously designed to shape proficient and skilled pilots.

1 Private Pilot License

Get licensed to operate an aircraft under Visual Flight Rules (VFR) for recreational flying.

2 Commercial Pilot License

This is advanced training to fly bigger commercial aircrafts with the Indian Airlines.

3 Diploma in Aviation

Get a complete understanding of the aviation industry with our diploma program.

4 Night Rating

This is a one-time rating that you can get any time either on PPL or CPL.

5 Instrument Rating

Instrument Rating is required for flying the aircrafts in IMC (Instrument Meteorological Conditions).

6 Multi-Engine Rating Endorsment

Get this rating to fly the twin-engine aircraft in IMC and VMC (Visual Meteorological Condition).

7 Flight Instructor Rating

Transition into a mentorship role and get an opportunity to teach what you learned during your training.

8 Conversion Flight Training (DGCA)

Our conversion flight training allows you to convert any foreign license from the contracting state to the Indian DGCA CPL License.

9 Type Ratings

We offer type-ratings of Airbus, Boeing and ATR. This is a step closer towards working with Indian Airlines and roaring the Big Turbine jets and Turbo jets.

We provide pilot training in Canada, New Zealand, the USA, and South Africa, guiding you from course selection to intensive training and interview prep.

Getwings Aviation is committed to ensuring each student's success.

PHASE 3**CPL/ Multi Engine/
Instrument Rating (Flying)**

1. Canada
2. South Africa
3. New Zealand
4. USA
5. India

PHASE 4**Conversion
Flying**

1. Skill Tests
2. DGCA Application & Documentation
3. EGCA E-logbook Filling

PHASE 5**Type
Rating**

1. Airbus
2. Boeing
3. ATR

CONGRATULATIONS
You are all set to fly HIGH!

**GROUND CLASSES &
SIMULATORS**

Our curriculum covers 5 key subjects to prepare students for pilot careers.

Our comprehensive DGCA Pilot ground classes provide the essential foundation for your pilot career to take flight.

Highly Experienced Instructors

FREE CX-3 Flight Computer and Scientific Calculator

Fleet: Cessna 172, Piper Cherokee (PA-28), Piper Seneca (PA-34), Tecnam (P2006T), Diamond (DA-42NG)

Training Cost starting at: Rs. 38 Lakhs *

Licensing Authority: South African Civil Aviation Authority (SACAA)

NEW ZEALAND

Flying Academies: 2

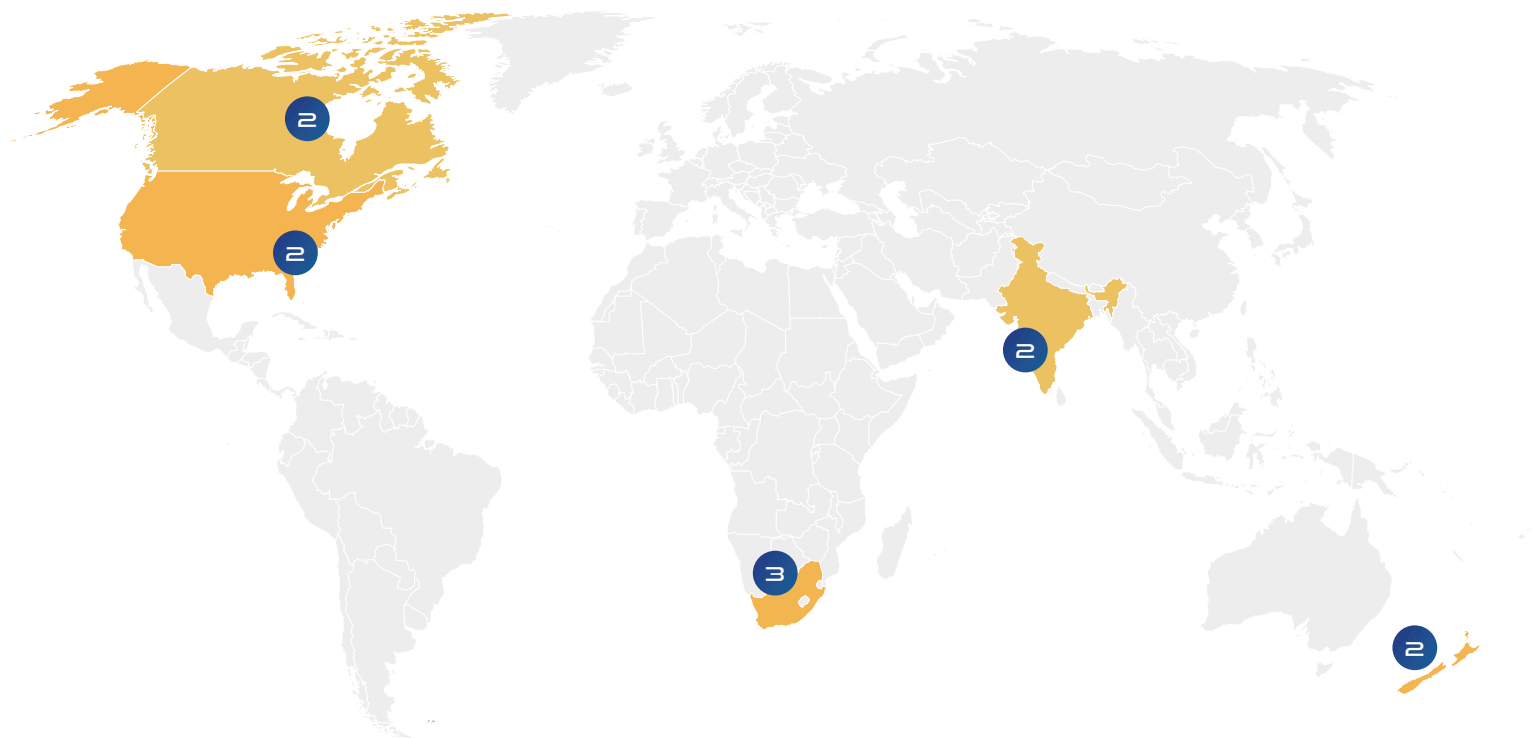

Fleet: Cessna 172, Cessna 152, Piper Seneca (PA-34), Tecnam (P2006T)

Training Cost starting at: Rs. 58 Lakhs *

Licensing Authority: New Zealand Civil Aviation Authority (NZCAA)

* Excluding accommodation & transportation

* Including accommodation & transportation

USA

Flying Academies: 2

Fleet: Cessna 172, Piper Cherokee (PA-28), Piper Seneca (PA-34), Tecnam (P2006T)

Training Cost starting at: Rs. 60-62 Lakhs *

Licensing Authority: Federal Aviation Administration (FAA)

INDIA

Flying Academies: 2

Fleet: Cessna 172, Piper Cherokee (PA-28), Tecnam (P2006T), Diamond (DA-42NG)

Training Cost starting at: Rs. 50-52 Lakhs *

Licensing Authority: Directorate General of Civil Aviation (DGCA)

We are the certified Indian representatives of many of the best flying schools in the world.

CONVERSION FLYING

Conversion flying is required to convert your foreign license to a DGCA license. The number of flying hours required will depend on your regency.

Eligibility/Basic Requirements

- Minimum Age 18
- Education Qualification CPL Licence (from any Contracting State)
- Medical Fitness Class 1 Medical Indian/Foreign
- Valid RTR(A) / RTR (C) / RTR (P)
- Valid FRTOL

- Personal Flying Log Book original duly completed
- EGCA log book entries approved

Flying Requirements

- Total Hours 200
- PIC 100
- X-Country (PIC) 50
- Instrument time on A/C 20
- Instrument time on Sim 20
- Night PIC 5

Examination

- Air Nav
- Air Met
- Air Reg

- Composite (Nav + Met)
- Air Regulation

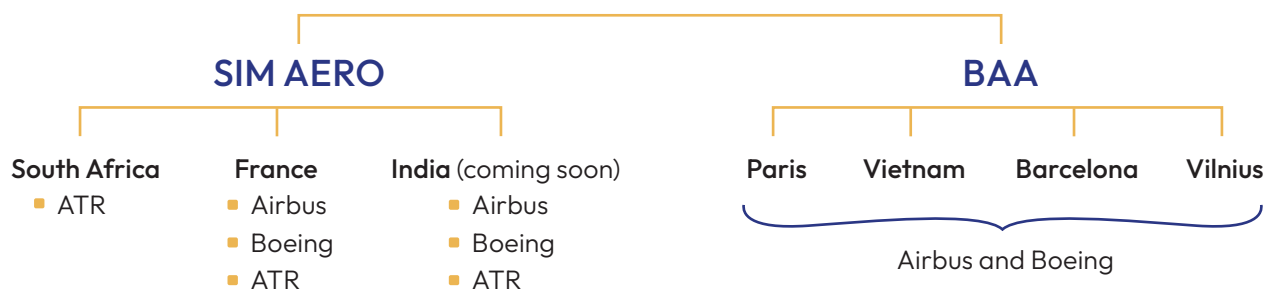

Skill Test

- GFT by Day
- GFT by Night
- X-Country flight test by Day 250 NM
- X-Country flight test by Night 120 NM

TYPE RATINGS

A Type Rating certifies a pilot to operate a specific aircraft model, requiring additional training for that aircraft's unique systems and procedures.

TYPE RATINGS WE OFFER

- Training will be conducted using both FFS (Full Flight Simulator) and FBS (Fixed Based Simulator).
- The training duration is approximately 45-60 days.
- We understand that each candidate learns at a different pace, so additional remedial training may be provided as needed thereby increasing the training duration, subject to terms and conditions.
- Getwing Aviation Pvt. Ltd. will handle all the paperwork for DGCA license endorsement and visa processing.

DGCA AIRLINE PILOT FLYING REQUIREMENTS

	CPL	CPL + IR
AGE	MINIMUM - 18 YEARS MAXIMUM - 65 YEARS	MINIMUM - 18 YEARS MAXIMUM - 65 YEARS
MEDICAL VALIDITY	1 YEAR (BELOW 40) 6 MONTHS (ABOVE 40)	1 YEAR (BELOW 40) 6 MONTHS (ABOVE 40)
LICENSE VALIDITY	5 YEARS	CPL: 5 YEARS IR: 1 YEAR

TESTIMONIALS

HEAR FROM OUR HAPPY FLYERS

Tushar Sehgal
CANADA

It was my one of my great experience with Getwings Aviation related to CPL ground classes as well as process for Canada within less time. All thanks to Getwings Team. All the members of Getwings are very knowledgeable and committed towards their work. Happy to deal with Getwings. Special thanks to Nidhi Ma'am and Antima Ma'am for providing best guidance, great job! Finally my dream got wings with help of Getwings.

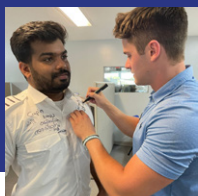

Rahul Teja
SOUTH AFRICA

I had a wonderful experience applying for a South African flying school through Getwings Aviation. Nidhi and Antima were instrumental in guiding me through the entire process, from advising on the best country for my training to assisting with long-term plans. They were professional, responsive, and patiently answered all my questions, making the entire process simple and hassle-free. They also promptly provided necessary support documents for my bank loan. I highly recommend Getwings Aviation to any aspiring pilot.

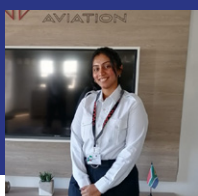

Rida Ali
NEW ZEALAND

Nidhi ma'am and Antima ma'am make an exceptional team at Getwings. Their collaborative approach and thorough support ensured my New Zealand visa process went smoothly. From handling medical requirements to gathering necessary documents, they expertly addressed any issues that arose. Their dedication makes them a reliable choice for anyone pursuing their dream of becoming a pilot.

Amal Vijay
USA

I want to express my sincere gratitude to Getwings Aviation. I learned about Getwings through a friend, and Nidhi Ma'am patiently explained the entire process, clearing all my doubts. They provided exceptional support throughout my pilot training journey in the USA. I truly appreciate every member of the Getwings team for helping me achieve my dream career. I highly recommend Getwings and Nidhi Ma'am to all aspiring pilots. Thank you for your support, and I wish them continued success!

Rakshana
SOUTH AFRICA

My overall experience with Getwings to date has been amazing and worthwhile! They helped me with academy selection process. They have been genuinely supportive till the end. Highly recommending aspiring pilots to reach them if y'all have any doubts!
